Dentist Resigns From Secret Society and Has Members Arrested.

West Orange, N. J., June 18.—Howard Applegate, a dentist, after going through the initiation rites of a secret society of the alumni of the high school here yesterday, decided that he did not care to be a member.

Applegate claimed he was taken to a nearby woods by nine members of the society, all having business men here, stripped, tarred, feathered, beaten and threatened with rocks. The imitators denied they used tar. Applegate has obtained warrants charging assault and battery.

**Belgian Veterans Band On Tour**

Composer of "Birth of a Nation" Music Is Director

Martial music by "Belgian soldiers" which blood fairly tingles in anticipation. Some way the martial spirit in music thrills and aways an audience as little else does.

Martial music by a Belgian Veterans' Band! One thinks of the sudden victory they had planned, of Belgium holding vast armies at bay while the allies could leap to arms, of Belgium ravaged, burned, devastated, suffering as few nations have suffered; of the soul of Belgium too honorable to yield, too willing to endure martyrdom rather than compromise with militarism and oppression. And in the martial music of this band there is that unconquerable, uncompromising soul of Belgium surging in heroic devotion, crashing in sublime protest, sobbing in heartbreaking pathos, and at last singing its psalm of triumph.

Emile Michaux, the talented director, is, like most of his men, a veteran of the Royal Belgian Army, of one of whose bands he was a member. He has more than sixty meritorious musical compositions to his credit, a few of which will be played at Chautauqua. American audiences will be interested in the fact that he composed the distinctive and remarkably effective musical accompaniment for the famous "Birth of a Nation" movie film.

Directed by this musical genius, the Belgian Veterans' Band will render not only the greatest musical offering of the week, but also the most elaborate musical treat ever presented to Chautauqua patrons. The program will not be devoted entirely, nor perhaps principally, to martial music, but will include selections of all kinds ranging from the popular to the classic. There will be numerous special features, including a cornet solo by M. Michaux, horn duets, quartets, and sextets, beside the great arias sung by Miss Florence Withrow, the American soprano whom M. Michaux has selected and coached especially for this tour.

The Third Day is Band Day—Belgian Veterans' Band Day. Don't forget it.

**REVIEWS OLD TIME BASEBALL PLAYERS**

(Continued from Page One)

guards now used for the protection of players. Nevertheless high-grade baseball was played in the old days, and every old-time fan will vouch for the claim that the old-times played better baseball in every way than the present-day players. When they went out on the ball field to play their purpose was to win the game, and they never knew the word "quit." Were these men true to their friends? Yes, as true as any men ever created and were too red blooded to turn away from any person who had assisted them in any way. These lads were prized highly by the big leagues' managers for whom they played and were admired by the fans, around their league circuit.

Robert "Dick" Cox was one of the speediest fielders, hard-hitting batters, and best base runner ever turned out anywhere and he has won many games for his team by doing the right thing at the proper time. As a big leaguer he played with the Atlanta, Georgia, and Washington teams.

The following is the line up of the celebrated old Alexandria baseball team:

Jackson (Jack) Beach, catcher; Ben (Dilly) Underwood, pitcher; Harry Warfield, first base; Stephen Taylor, second base; Jacob Brill, second base; Robert Cook, third base; J. Cook Broadus, shortstop; Charles Adams (right field; Robert (Buddy) Wentzel, first base; Charles Swaine, left field; Robert (Dick) Cox, center field; Frank Lambert, first base; Thomas Kinslow, catcher, also played with the Brooklyn New York team.

The above-named men were first-class players in every way and were winners of many hard-fought battles with leading baseball teams from different parts of the United States who visited this city. The Alexandrians also traveled extensively under the management of the late Charles Adams and they were great attractions and had large crowds everywhere to witness games in which they participated.

Many brilliant baseball players are listed in the following names having played on different teams in this city: George Norris, Francis Downing, John Aitchison, Ernest Smith, William West, Hugh Latham, William

Woodfield, James Burroughs, Robert Lucas, William Schafer, one of the best and brainiest little catchers who ever caught behind the bat and a star player of his time, Harry Richards, Steve Woods, Walter Muir, Edward O'Brien, Mayor Thomas Fisher, Samuel Fisher, Steiner Hayes, Frank McLearen, Hammy Martin, George Pettitt, Ernest Mills, a noted pitcher, truly one of the best sandlot twirlers during his baseball career. Harry Massey, William B. Dobie, Jr., Thomas D. Downey, William Downey, Joseph Brown, Walter Downey, Robert Pitts, John Bartlett, J. Martin Hill, and 1927, but not least, Charles Stanger, the "spectator" who was known as the first man to catch a curve ball in Alexandria, and one who had a big list of wins to his credit.

Thus, in the above baseball story, are facts concerning stars of former days, nevertheless, many brilliant amateur players are now performing on the sandlots of Alexandria, and if properly handled, will some time in the near future be members of the American League and National League teams in some of the great cities of the country.

It has always been my purpose to treat all young Alexandria baseball players fair in every way while many have appreciated my efforts in their behalf, others have proved false to me.
